Best of the West Event Showcases West Side's Best Restaurants & B-W's Music Theatre *Proceeds Support Mission of Eliza Jennings Senior Care Network*

CLEVELAND – May 5, 2008 – The Renaissance, 26376 John Road in Olmsted Township, was the site of a very special fundraising event on Sunday, May 18, 2008. The Eliza Jennings Senior Care Network **Best of the West** event, which raised \$100,000, featured great food from local fine-dining restaurants and a lively performance by the Baldwin-Wallace College Music Theater program. Money raised will support the mission of Eliza Jennings Senior Care Network, help ensure the continuation of valuable senior services and provide “charity care” to indigent older-adults who wish to reside in Eliza Jennings’ communities.

Event participants included Rocco Whalen of Fahrenheit, (who was also Guest Chef at the V.I.P. Pre-Party for sponsors); Karen Small - The Flying Fig; Carmella Fragasi - La Campagna; Jill Vedaa – Wine Bar; John McDonnell – Tartine; Augustino Iacullo – Stino da Napoli.

The event would not have been complete without the silent auction and raffle.
